Subject: Re: A.08-11-001 Joint Motion for Reduction in Comment Period on Proposed
Deci...

'afternoon Your Honor. Thank you for your note.

The QF Parties are supportive of whatever mechanism is available to ensure the quickest possible implementation of the CHP Settlement. We, jointly with the other Settling Parties have a motion for reduced time in place, which was filed at your request and is now being held in abeyance, to accomplish that end. We assume that it would be your intent to issue the PD as soon as possible and contemporaneously rule providing for reduced comment periods. Reaching a final decision as quick as possible is our highest priority and we seek an imminent PD that would allow for a Commission decision in early October. If the stipulation you are proposing advances that, then we are on board. As you know from the filings made before, the value of the Settlement diminishes the longer it takes to reach final implementation. I am authorized to provide this on behalf of CAC, EPUC and CCC.

Douglas Kerner for IEP

In a message dated 9/1/2011 3:46:46 P.M. Pacific Standard Time, amy.yip-kikugawa@cpuc.ca.gov writes:

All,

As noted in the email below, the motion will not be filed and ruled on until a proposed decision resolving the petition to modify is issued. However, I would like to know whether parties would, on their own, be willing to stipulate to reduce the time for public review and comment from 30 to no less than 20 days. If any party is unwilling to stipulate, please let me know no later than close of business on Tuesday, September 6, 2011.

Thank you,

Amy C. Yip-Kikugawa
Administrative Law Judge

Subject: A.08-11-001 Joint Motion for Reduction in Comment Period on Proposed Decision under Rule 14.6(C)(9), rec'd 8/26/2011 (Efile Control #45655)

Good Afternoon. This message is from the Docket Office as a result of a Directive from the Assigned Administrative Law Judge, Amy Yip-Kikugawa.

The referenced Motion (Motion) was rec'd in our Efile Queue on 8/26/2011 (Efile Control #45655). It contains no procedural infirmities and is otherwise submitted in a format suitable for filing.

However, the Motion is premature in that the referenced Proposed Decision (PD) has not yet been filed.

Based on the history that the ALJ provided, we understand its urgency & importance. In this regard, rather than rejecting the Motion on the ground that it is premature, thereby possibly elevating form over substance, I've received approval to merely "hold" it in abeyance in the queue until the PD is in fact issued & filed. Then, the Motion will be filed and receive the same file date as the PD. Thereafter, the onus will be on the ALJ to issue and serve a timely Ruling thereon.

I trust this interim resolution meets with your collectively approval.

Please call if you have any questions.

Regards,

Martin M. Nakahara
