## BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Pacific Gas and Electric Company for Approval to Revise its Electric Marginal Costs, Revenue Allocation, and Rate Design, including Real Time Pricing, to Revise its Customer Energy Statements, and to Seek Recovery of Incremental Expenditures. (U39M).

Application 10-03-014 (Filed March 22, 2010)

## NOTICE OF EX PARTE COMMUNICATION OF PACIFIC GAS AND ELECTRIC COMPANY

Pursuant to Rule 8.4 of the Commission's Rules of Practice and Procedure, Pacific Gas

and Electric Company (PG&E) hereby gives notice of the following ex parte communication.

The communication occurred on Tuesday, September 13, 2011, at approximately 8:18 p.m. via electronic mail from Gail Slocum, PG&E's counsel, to Administrative Law Judge Thomas

Pulsifer. [Rule 8.4(a) & (b)] The email message is attached to this notice. [Rule 8.4(c)]

In the email, Ms. Slocum discussed PG&E's Late Filed Exhibit 129. [Rule 8.4(c)]

Ms. Slocum's email was in response to a previous email dated September 9, 2011 from Mr. Ed

Poole, counsel for WMA, to ALJ Pulsifer objecting to admission of Late Filed Exhibit 129. Ms.

Slocum's email, like Mr. Poole's original email to which she was responding, was ce'd on all parties that have taken an active interest in the issues raised by WMA but not on all parties to the proceeding. While PG&E does not believe that Ms. Slocum's email constitutes an ex parte communication subject to Rule 8.4 reporting requirements, PG&E is nevertheless serving this Notice of Ex Parte Communication to all parties in this proceeding out of an abundance of caution.

## Respectfully submitted,

## /s/ Brian K. Cherry
