Julie,
Last leak survey was May 2011. In that survey they found two Grade 2 leaks and four Grade 3 leaks.

Thanks Trina,

Can you provide information on when the last leak survey of the Cupertino location was and if there were any leaks found?

Thanks

Nick Stavropolous is talking to Merc and KTVU now. Re Cupertino. Our media folks are letting Terrie know now but wanted to give you a heads up in case CPUC is next on the reporters' list to call.
