Hi Sid, sorry I missed you. I was stuck in traffic on the Bay Bridge. I believe this item will be held. I am not sure about 11 a.m. this morning..I have a meeting with the Commr that may run over. Let's touch bases after this meeting. I will give you a call.

Best,

Colette

Colette --

I am headed to a meeting with Marcelo at 1000a at the CPUC. Would you be available to meet at 1100a in person (I'll have a DR person with me) or talk by phone a bit after that?

yours,

sid
