Subject: SmartMeter Technology Advisory Panel Meeting

TAP members:

We hope to schedule the next meeting of the SmartMeter™ Technology Advisory Panel in early October. **Please supply your availability from October 3 through October 14 so that we can schedule the next session.**

Potential agenda items could include continued discussion of technical aspects of opt-out alternatives, the status of PG&E's Net Energy Metering implementation for SmartMeter™ customers, and overall deployment status; your suggested topics are welcome.

Thank you for your input. If you have any questions, please do not hesitate to contact me.
