Subject: Re: PG&E Solar PV UOG project status

We have the letter from Casio on Westside and we have word from Mike Boas that all the paperwork is complete but they might not be able to issue the commercial operations notification letter until Monday.

Thanks. Just to confirm, though, they have reached commercial operation per the CAISO criterion?

Jaclyn --

Tom Allen tells me there are three: Five Points, Westside, Stroud Solar Stations.

yours,

sid

Brian,

Can you please let me know if any of the solar PV UOG projects have reached commercial operation?

Thank you,

Jaclyn
