Truman- Thanks. Wonder what happened to my voice mail. It should have worked. I'm going to be on vacation (Hawaii) starting tomorrow but will be back in the office on 9/20. I will have my blackberry with me so you can email me or call me at 415-828-0903. I bet I run into Greg and Sean Wilson over there. It's happened before.

Subject: sce seismic

John,

Tried to call but PG&E is too cheap to pay for voicemail for you. SCE wants to meet with DRA on Sept. 16, they had called in Aug. to talk settlement, but never got back to us; then the PHC/testimony date was delayed from Aug. 31 to Sept. 30:

9/30/11 **A.11-04-006 (PHC)** - Application of Southern California Edison Company (U338E) to
11:00 a.m. Recover O&M Costs Associated with the San Onofre Nuclear Generating Station Units
ALJ Barnett Nos. 2 and 3 On-going Seismic Program, and New Seismic Research Projects and
Comr Florio Analyses,
 And Related Matters:
 A.11-05-011
 Commission Courtroom, San Francisco

We weren't anticipating asking for hearings. We are waiting to see what SCE offers on the 16th.
