Subject: RE: SDG&E Advice Letter 2288-E

Eric:

PG&E will not be filing an advice letter similar to the one filed by SDG&E because we are currently drawing down the HBPP non-qualified trust and will have no current balances in the non-qualified trust by the end of the year. Additionally, all amounts in the future that would have been contributed to the non-qualified trust will be currently spent.

Best,  
Jennifer

Jennifer / John:

SDG&E submitted an advice letter requesting CPUC approval to transfer the non-qualified decommissioning trust funds to the qualified trusts for tax advantages now that the State and Federal tax laws are in agreement. Is PG&E in a position to do the same and can we expect a similar advice letter from PG&E? Thanks.
