Shilpa:

I need clarification as to the qualification dates for [Redacted] and [Redacted]. The spreadsheet shows OQ date for [Redacted] as [Redacted], while his welding records indicate [Redacted]. For Smith the OQ dates are [Redacted], while his welder records show [Redacted].

Shilpa

Attached is the completed Excel file which shows the OQ tasks for PGE personnel and subcontractors.

I have also included the Welding Procedure Qualifications for [Redacted] and [Redacted], who performed the welding of piping modifications at Topock Compressor Station to facilitate the Hydrotest. There were two welding crews which were led by [Redacted] and [Redacted] on this project.

Regards

Paul
