Sunil,

The PDFs are for procedure(weld) qualifications, and the dates in the spreadsheet are for inspection qualifications.

I'm back at my desk if you have any questions.

Shilpa:

I need clarification as to the qualification dates for [Redacted] and [Redacted]. The spreadsheet shows OQ date for [Redacted] as 12/09/10 and 12/10/10, while his welding records indicate 10/27/2010. For [Redacted] the OQ dates are 03/03/05 and 03-04/05, while his welder records show 10/04/10.

Michelle,

Attached is the information per your request.

Tab 2 of the spreadsheet has the individual names. Per PU Section 583, any names included are confidential.

Thanks

Shilpa

Attached is the completed Excel file which shows the OQ tasks for PGE personnel and subcontractors.

I have also included the Welding Procedure Qualifications for [Redacted] and [Redacted] who performed the welding of piping modifications at Topock Compressor Station to facilitate the Hydrotest. There were two welding crews which were led by [Redacted] and [Redacted] on this project.

Regards

Paul
