Subject: Evidentiary Hearing in R.11-03-006 Currently Scheduled for Monday October 3, at 1:30 pm

To the Parties and Service List in R.11-03-006:

Currently, an evidentiary hearing (EH) has been noticed for this coming Monday, October 3, at 1:30 pm at the Commission's hearing room in San Francisco. The purpose of that EH is to have the parties present testimony on the allocation of the Sempra Settlement Funds and the allocation of the Continental Forge Discount. (See 9/7/11 Scoping Memo).

As you may know, ALJ Wilson is out sick and is unlikely to preside over the Oct. 3, 2011 EH. She has asked me to sit in for her.

I received a call this afternoon, shortly after the note below was sent, from PG&E's counsel, Mr. Buchsbaum. Mr. Buchsbaum mentioned that the EH may not be necessary since all of the utilities who filed opening briefs on these two issues may be in agreement that the two issues can be resolved on the basis of what the parties have presented in their opening briefs, and whatever reply briefs that may be filed tomorrow.

Based on Mr. Buchsbaum call, this e-mail is being sent out to the parties to determine whether all the parties to this proceeding agree that the two issues about the Sempra Settlement Funds and the Continental Forge Discount can be adjudicated based on the opening briefs that were filed, and whatever reply briefs may be filed tomorrow. If the parties agree that these two issues can be resolved based on the briefs, the EH for October 3 would not be needed and would be taken off calendar. Whether or not those two issues can be resolved with the proposed decision on the 2012 revenue requirement will be up to ALJ Wilson.

Please send an e-mail to me, and to the service list in R.11-03-006, by noon tomorrow on whether or not you agree that these two issues can be resolved based on the briefs that have been filed and may be filed tomorrow. I will then issue an e-mail ruling tomorrow afternoon on whether the EH on October 3 will proceed or if it will be taken off calendar.

This e-mail is being sent out in groups of 25 to avoid bounceback.

Subject: Hearing in R.11-03-006 still scheduled for Monday October 3, at 1:30 pm

All-

Monday's hearing is still scheduled for 1:30 pm. If ALJ Wilson is not available to preside in Monday's DWR Revenue Requirement hearing, then ALJ John Wong, who has been the assigned ALJ for DWR RRQ proceedings in the past, will preside. Please forward this email as you find necessary.
