Dear Ms. Fitch:

Pursuant to Decision (D.) 11-05-018, Pacific Gas and Electric Company (PG&E) is authorized to provide non-tariffed products and services (NTP&S) already authorized for use by the other California investor owned utilities (IOUs) starting thirty (30) days after PG&E provides this informational report regarding the categories it plans to offer. In accordance with the Decision, this is PG&E's first such report.

As provided by D.11-05-018, PG&E plans to incorporate these items into its existing NTP&S catalog starting October 31, 2011.

This report is being made available to the parties of R.05-10-030 and A.09-12-020.

Sincerely,
