Rahmon --

Sorry about that. We decided to take a softer line in the letter since we are willing to sit down with them. We don't want to take their 'guns blazing' approach. I will keep you informed about the results of our working with Greenlining.

yours,

sid

Rahmon --

Here is the letter that we sent to Greenlining in response to their letter. This letter is really to start a dialogue with them, we plan to sit down with them next week and see if we can address their concerns.
