

**DECLARATION OF KELVIN YIP
SEEKING CONFIDENTIAL TREATMENT
FOR DATA AND INFORMATION
CONTAINED IN PG&E'S RESPONSE TO ENERGY DIVISION'S DATA REQUEST
REGARDING ADVICE LETTER 3837-E
(PACIFIC GAS AND ELECTRIC COMPANY - U 39 E)**

I, Redacted declare:

1. I am presently employed by Pacific Gas and Electric Company ("PG&E"), and have been an employee at PG&E since 2002. My current title is Senior Analyst within PG&E's Energy Procurement organization. In this position, my responsibilities include negotiating PG&E's Renewables Portfolio Standard Program ("RPS") Power Purchase Agreements and supporting PG&E's solicitation programs. In carrying out these responsibilities, I have acquired confidential information related to PG&E's contracts and negotiations with various counterparties. Through this experience, I have become familiar with the type of information that would affect the negotiating positions of electricity sellers with respect to price and other terms, as well as with the type of information that such sellers consider confidential and proprietary.

2. Based on my knowledge and experience, and in accordance with Decision ("D") 08-04-023 and the August 22, 2006 "Administrative Law Judge's Ruling Clarifying Interim Procedures for Complying with Decision 06-06-066," I make this declaration seeking confidential treatment of certain information and data contained in PG&E's response to the Energy Division's data request regarding Advice Letter 3837-E, submitted on September 7, 2011.

3. Attached to this declaration is a matrix identifying the data and information for which PG&E is seeking confidential treatment. The matrix specifies that the material PG&E is seeking to protect constitutes the particular type of data and information listed in Appendix 1 of

D.06-06-066 and Appendix C of D.08-04-023 (the "IOU Matrix"), or constitutes information that should be protected under General Order 66-C. The matrix also specifies the category or categories in the IOU Matrix to which the data and information corresponds, if applicable, and why confidential protection is justified. Finally, the matrix specifies that: (1) PG&E is complying with the limitations specified in the IOU Matrix for that type of data or information, if applicable; (2) the information is not already public; and (3) the data cannot be aggregated, redacted, summarized or otherwise protected in a way that allows partial disclosure. By this reference, I am incorporating into this declaration all of the explanatory text in the attached matrix.

I declare under penalty of perjury, under the laws of the State of California, that to the best of my knowledge, the foregoing is true and correct. Executed on September 7, 2011, at San Francisco, California.
