Really weird. Paul had told me you were going to take a job he was discouraging you from taking and then separately a day or so later I got an org chart from Trina for Reg Rel and the group she is in and your name was on it and then I knew what he meant.  
Look forward to seeing you Thursday.

I had hoped to get on your calendar soon to reconnect in my new role. I have just joined PGE and barely have a place to sit! But I'm glad it looks like we will have a chance to see each other thursday night. I am coming to the meeting as an observer, which is good given my low knowledge at this point. I do know that Trina is working to get a technical person to the meeting, and I understand the importance of that.

Look forward to working with you. This feels weird, right?  
See you thursday.  
Laura
