Brian - with regrets, Commissioner Ferron has had to cancel his trip to NY. Hopefully he can make it in the new year. Thanks much for putting us in touch with Gabe. I'm also working on a follow-up list from yesterday, as I told Sid.

Subject: Wall Street Analyst Assistance

Mark - Commissioner Florio was over at PG&E the other day and mentioned that you might need some help meeting with the buy and sell side analysts in New York. If you are interested, Gabe Togneri, our VP of Investor Relations, would be happy to reach out to some of them and have them sponsor a meeting. Our only role would be to make the contact. The analysts would sponsor the meetings themselves and you would meet with them privately.
