**AMENDMENT TO  
NOTICE OF EX PARTE COMMUNICATION BY THE  
CALIFORNIA INDEPENDENT SYSTEM OPERATOR CORPORATION**

Pursuant to Rules 8.2 and 8.3 of the California Public Utilities Commission (“Commission”) Rules of Practice and Procedure, the California Independent System Operator Corporation (“ISO”) submits this amendment to its notice of ex parte communication that was filed in this matter on October 17, 2011.

The ISO’s October 17 filing provided notice that the ISO had scheduled individual ex parte meetings with President Michael R. Peevey (possibly including Paul Clanon, Executive Director), and with Commissioner Mark J. Ferron, on October 18, 2011 at their offices at 505 Van Ness Avenue, San Francisco, California, to discuss backstop procurement.

The meeting with President Peevey and Mr. Clanon has been rescheduled to October 19, 2011 at 11:30 a.m. at their offices at 505 Van Ness Avenue, San Francisco, California, to discuss backstop procurement. The ISO anticipates that Stephen Berberich, President and Chief Executive Officer, and Phil Pettingill, Director of Regulatory Affairs, will attend the meeting on behalf of the ISO. The meeting with Commissioner Ferron has been cancelled.

Rule 8.3(c)(2) requires that the person requesting the initial individual meeting

notify the parties that its request has been granted, and file a certificate of service of this notification, at least three days before the meeting or call. The meeting that is the subject of this amended notice was rescheduled this morning. Due to the timeframe in which the meeting was rescheduled, the ISO was unable to provide three-day advance notice of the rescheduled ex parte meeting. In these circumstances, the ISO requests that the Commission accept this notice as consistent with Rule 8.3(c)(2).

Respectfully submitted,
