Scott-

Let's keep it at 3:30 if that's OK with you. There will be three of us coming and that time works for all of us.

My schedule the day before Comm'n meetings is always unpredictable, but so far the only meetings I have scheduled are 9 - 10 and 4:30 - 5.

I am checking with folks . If your afternoon might be tied up would the morning work better?

John,

My afternoon looks pretty open for now, but Peevey might want me to attend meetings with stakeholders in the afternoon that I'm still not aware of. Can we tentatively plan for 3:30?
