Belinda

I just found out that we have not filed it yet. The group responsible has been tied up on some other issues. However, I have strongly urged them to get it out ASAP. I apologize for the delay and will get you an advance copy as soon as it is ready. I had seen drafts so it should not take much to get it finalized.

Hi John,

Did PG&E ever file that supplement to the Tax Act Memo Account Advice Letter? It might be that it's sitting on someone's desk somewhere and I just haven't gotten it. Or worse, it got lost in my in-box somewhere. If so, could you send me an electronic version?

Thanks.

Belinda
