Subject: A.11-05-001 (COC) - CWS exhibit "MJV Tables and Workpapers" attached

ALJ Bemserfer and Parties to A.11-05-001:

Attached please find an electronic copy of "MJV Tables and Workpapers," hard copies of which were distributed during yesterday's evidentiary hearing. While the tables support CWS-4, the Direct Testimony of Dr. Michael J. Vilbert, my understanding is that they were marked for identification as a separate Cal Water exhibit (resulting in a total of 14 Cal Water exhibits).

The tables were provided to DRA in response to a data request, but have not been served on the parties. In an abundance of caution, the tables are now being served electronically on all parties of record. DRA has indicated that it does not oppose putting the tables into the record. Please contact me if you have any questions or concerns. Thank you.
