**MOTION OF CALIFORNIANS FOR RENEWABLE ENERGY, INC. (CARE) FOR
LEAVE TO FILE CONFIDENTIAL MATERIAL CITED IN REPLY BRIEF**

Pursuant to Rule 11.4 of this Commission's Rules of Practice and Procedure and Decisions ("D.") 06-06-066 and 08-04-023 governing confidentiality procedures, CALifornians for Renewable Energy, Inc. ("CARE") file this motion for leave to file confidential electric procurement information and data under seal. The material the Parties seek to protect is included in the confidential, unredacted versions of the Reply Brief of CARE¹ filed concurrently with this Motion.

In D.06-06-066 and D.08-04-023, the Commission adopted rules and procedures governing the submission of confidential electric procurement information to the Commission. In a Matrix, attached to D.06-06-066 as Appendix 1 (the "IOU Matrix"), the Commission established specific rules for Investor-owned Utilities ("IOUs") governing the confidentiality of certain categories of data and information. D.08-04-023 requires that material formally filed with the Commission for which a Party seeks confidential treatment must be accompanied by a Motion. In its Motion the Party must establish:

- 1) that the material it is submitting constitutes a particular type of data listed in the Matrix;
- 2) the category or categories in the Matrix to which the data correspond;
- 3) that the IOU is complying with the limitations on confidentiality specified in the Matrix for that type of data;
- 4) that the information is not already public; and

¹ The Public Version of the Application for Rehearing was submitted on 10/3/2011 with confirmation number 0000046936

5) that the data cannot be aggregated, redacted, summarized, masked or otherwise protected in a way that allows partial disclosure.²

Material Requiring Confidential Treatment:

The accompanying Reply Comments contains confidential information protected from disclosure by D.06-06-066. The information in the Comments contains the confidential market value for five contracts that were originally bid into PG&E's 2008 Long-Term Request For Offers (RFOs). This data should be maintained as confidential for three years after the winning bidders are selected pursuant to the matrix attached to D.06-06-066 in that:

1. the data is listed in the matrix
2. the category of the confidential data in the matrix is at page 18, Item VIII (Competitive Solicitation Bidding Information – Electric). The information is the market valuation of the bids, which is PG&E's quantitative analysis involving scoring and evaluation of participating bids.
3. CARE is complying with the limitations on confidentiality specified in the Matrix for that type of data;
4. the information is not already public; and
5. the data cannot be aggregated, redacted, summarized, masked or otherwise protected in a way that allows partial disclosure.

For all the reasons described above, CARE requests that the Commission grant this Motion. As required by Rule 11.4(a), a proposed order granting this Motion is attached.

Respectfully submitted,
