**Subject:** Mariposa Phase 2 Proceeding - Ferron Ruling that PG&E Violated Mariposa Settlement Agreement

Commissioner Ferron just issued a ruling opening a Phase 2 adjudicatory proceeding claiming that PG&E violated its settlement agreement with respect to the Mariposa Power Plant in the last LTPP. Ferron's ruling responds to a CARE Petition to Modify. The ruling is attached. Please note that the proceeding has been reclassified as adjudicatory and no ex parte communications are allowed with any decision makers at the Commission.
