Pursuant to Rule 11.1 of the California Public Utilities Commission's (Commission) Rules of Practice and Procedure, the California Municipal Utilities Association (CMUA) respectfully submits this Motion for Acceptance of Late-Filed Comments of the California Municipal Utilities Association on the Proposed Decision Implementing Portfolio Content Categories for the Renewables Portfolio Standard Program (Comments). In support of this Motion, CMUA states as follows:

On October 27, 2011, CMUA attempted to file its Comments. However, a final inspection of the documents revealed that in the process of converting the word document to PDF/A format, essential elements of the document were deleted. Parts of the document had to be redrafted, and the delay caused CMUA to file its Comments with the Commission's Docket Office at 5:03 p.m., on October 27, 2011. Because the filing cut-off is 5:00 p.m., CMUA's Comments were date-stamped October 28, 2011.

The one day late filing does not disadvantage any of the parties as they were served with CMUA's Comments on October 27, 2011. CMUA respectfully requests that the Commission grant this motion and accept CMUA's late-filed Comments.

Dated: October 31, 2011

Respectfully submitted,

Justin Wynne
