Subject: Meeting Notes - PG&E's 2014 GRC (10/11/2011)

Mark, Clayton, Greg, Jean, Donna-Fay,

Thank you for taking the time to meet with us to discuss PG&E's 2014 RO model and other items for the next GRC.

We have attempted to summarize the discussion in the attached meeting notes, which we propose to use to guide our next discussion (particularly the "next steps"). If you feel we have mischaracterized anything or left any key action items out, please let Shelly (973-2636) or me [Redacted] know.

Mark recommended that we regroup in three weeks to continue our discussion. Please let me know when is a good time for your team and we will be there.

Thanks again,
