I need to be back at the PUC by 2:30, so I need to come down earlier, more like 12:30.

Hi Paul,
Ben Campbell, who is the Director overseeing the 2011 Hydrotesting Program, can meet you at the Woodside hydrotest site this afternoon any time after 2:00. Will that work? Precise locational and logistical information to come in the next hour, including Ben's contact info, but I do want to give you a heads up that there's about 3/4 of a mile of walking involved to the site from the parking area that they have in mind. Let us know when would work. thanks,
Trina
