As I mentioned on the call yesterday, I will be retiring from SMUD at the end of this year. SMUD would like to propose an alternate to replace me on the PAC: Scott Flake, Manager – Power Generation. Scott is responsible for not only SMUD’s generation facilities but also the maintenance and compliance of our natural gas pipeline. I have added Scott as a cc to this e-mail and his contact phone number is Redacted

I wish the team the best of luck on this very interesting project.
