Brian -- Sadly the date won't work for me, but I'm checking to see if any of my advisors might want to carry the Team Florio flag that day. We'll let you know if so. Mike

Not sure if you can make it, but we would love to have you and your staff attend.

Reda I talked with Randy Livingston late last week and he wanted to be sure we had invited someone from the CPUC to the Colusa Generating Station dedication scheduled for November 15. Also, he wanted us to contact Mark Krausse to be sure we had the appropriate state agencies invited. I know we have a long list from the CEC but there may be other agencies that were involved in this project.

Can you touch base with Mark and Brian on this? If you need assistance from me please advise.

Attached shaded in yellow are the local building trades business agents that participated in the project. I shaded Russ Burns but he is already on the list I sent previously.
