Subject: Sending paper copies

To the parties of R.11-05-005,

The Commissioners' offices are receiving paper copies of documents when the rules do not require it. Please review ALJ Mattson's recent ruling regarding Protocols to Reduce Paper and Streamline Process [<http://docs.cpuc.ca.gov/efile/RULINGS/141358.pdf>], as well as the CPUC's Rules of Practice and Procedure. Please forward this message to the appropriate folks at your company/organization that serve documents to this proceeding. In particular, please review the rules for electronic mail service because paper copies of all documents served in the proceeding (e.g. ex parte notices) are not required.

In addition, if you are still receiving hard-copy notices from the Commission but would prefer email notices only, please email the Commission's Process Office at process_office@cpuc.ca.gov and request email-only notices, identifying the proceeding number for each service list for which you would like email-only notices.

Many thanks,
Sara
