Timothy - we've tried to schedule a meeting with Nick and your office to no avail. I will ask my assistant to follow up again on your availability.

Brian,

I have not met Nick. I am hearing great things about him. As NARUC Gas Committee Chair I would like to make the personal acquaintance. Anything you could do would be appreciated. Also, I have sent a minority gas shut off valve vendor your way. He and his company come with good recommendations. If you could give him a few minutes I would appreciate it. Cannot recall his name.
