CPUC and WHPA Formally Launch HVAC Action Plan in Presentation with CPUC Commissioner and Industry and Utility Leaders on Nov. 16, 2011 in Pasadena: CPUC Information Alert

The California Public Utilities Commission (CPUC) and the Western HVAC Performance Alliance (WHPA) will formally launch the Heating Ventilation Air Conditioning (HVAC) *Action Plan at a special event* Wednesday, November 16, 2011, at the [IHACI Trade Show](#) at the Pasadena Convention Center from 5 p.m. to 6:30 p.m. in Ballroom A. The HVAC Action Plan was published in June 2011 to help California's HVAC sector achieve the goals described in the [California Energy Efficiency Strategic Plan](#).

CPUC Commissioner Mark J. Ferron and other HVAC industry and utility leaders will present the HVAC Action Plan and provide other industry insights. WHPA Committee Chairs will be introduced.

Remote attendance is available via a listen-only call-in number at Redacted

To view the slides over the internet during the presentation [click here](#) and enter the event password: WHPA. The link will be activated at 4:45 p.m., which is 15 minutes prior to the session.

The latest information about the HVAC Action Plan presentation and registration is also available at the [Western HVAC Performance Alliance website](#). The slides will be posted after the presentation.

On Sept. 18, 2008, the CPUC adopted California's first Energy Efficiency Strategic Plan, presenting a single roadmap to achieve maximum energy savings across all major groups and sectors in California. This comprehensive Plan for 2009 to 2020 is the state's first integrated framework of goals and strategies for saving energy, covering government, utility, and private sector actions, and holds energy efficiency to its role as the highest priority resource in meeting California's energy needs.
