Sorry - missed a word in my original not. Fairly certain it is NOT on Ferron's radar. Just for me to track.

Hi Brian

Seeing this article today (<http://www.redding.com/news/2011/nov/15/pge-land-deal-may-advance>) reminded me that I have been meaning to reach out to you about this. This is a topic that I have personal interest in (and really certain that it's even on Ferron's radar) but would you mind just giving me a head's up when PG&E is ready to file their application to do the transfer? I want to be able to track it... Many thanks!

Michael
