Sorry, I was in meetings until 6:30. I will call you tomorrow around 10 am. I have a meeting at 9 am. Does this work for you?

Thanks for your fast reply!
Called your cell but you are still in those endless meetings.
My blackberry is [Redacted] if you have enough energy to call later.
If not, I'll be at the Commission tomorrow morning for a meeting with Paul and Michelle and I'll try to swing by but you probably will already be imprisoned in the meetings and workshops. Never stops, I know.

I'll keep trying to reach you.
Laura

Sepideh

Hope you are well and enjoying the job with Commissioner Florio. What a great thing it is for him to have you on his team!

I have just joined PG&E, if you can believe it, and am working in Brian Cherry's group on gas regulatory issues. I'm brand new and quite ignorant, but eager to learn. I had hoped to see you before I had to call with a question!

But I do have one now. Could you call me at your convenience? I just left a message in your office. My blackberry is Redacted and that is probably the best number to call. Please call whenever you can.

Thanks, and hope to see you in person soon,
Laura
