Ok, they're adding to the request today, per your email below. It is in the works and we'll get it to you as soon as possible.

Trina- one of the outstanding data responses is Gina Adams data request dated October 3, question 11 that requests information on the Long-term Incentive Plan. She would also like the same information on the Short-term Incentive Plan and the "Pay for Performance Compensation." She didn't previously ask for the STIP or the pay for performance plan because she didn't know about them until Friday.

By the way, PG&E answered question 12 which asked for info on all other "awards" provided to PG&E employees and neither the STIP nor Pay for Performance showed up on the very short list of just one little Reward and Recognition Program.

Your assistance in getting this one answered ASAP is helpful. Thanks Michelle
