Subject: FW: SCE ARRA Funded Projects

Hey Sid,
I have heard from both Edison and SDG&E on this request. What's up with PG&E? I need this response quick, please.

marzia

Subject: SCE ARRA Funded Projects

Marzia,

Please find below the updates for the Irvine Smart Grid Demonstration Project and the Tehachapi Energy Storage ARRA funded projects. We are the prime recipient for both of these projects. Please let me know if you need additional information or have questions.

Subject: ARRA funding

Good Morning Utilities,

We are getting ready to draft our smart grid report to the legislature due by end of the year. As part of the report we would like to update the legislature on the progress of the projects that received ARRA funding.

Please send me a short description of the projects that received ARRA funding as well as an update for each of

those projects. We're especially interested if any of the projects lead to new jobs whether permanent or part-time.

Please submit this information by Tuesday, November 8th. If you have any questions, please let me know.

Thanks,
marzia
