No problem, Liza. If you would like us to brief you another time, e.g. next week, let us know. We can come up your way, or you can come down here, whichever is more convenient. Let us know and we would be happy to schedule.

Chris

Chris,

Thank you for reaching out. Going forward, it would definitely be great if you could include me in Smart Grid related conversations, as I'm the new Smart Grid lead for Energy Division. I have a conflict tomorrow that I'm not sure I'll be able to move. Let me see what I can do.

Thanks again for looping me in.

Best,

Liza

Liza, would you like to join us for a pre-filing meeting on PG&E's Smart Grid projects? We are meeting this Friday at 10 am at PG&E's offices, Room 937, 245 Market, and we would like you to join us if we can. We also have invited Chris Villarreal and Karin Hieta. Let me know if you can make it and call Sid Dietz or myself if you have any questions. Thx!

Chris,

Friday at 10 works for all of us. It's fine with me if Chris V. is included. And we would prefer to meet there--sometimes staff here likes to get out of the building!
