Hi Meredith

I just called but I guess I missed you. I will give you a call next week. I am just back from vacation and trying to catch up on all my back work. I think my voicemail is full.

Subject: Solar Program

Hi Mary Jo,

When you get a chance I was hoping to chat with you about our solar program. There is a lot of discussion on solar in the Central Valley right now and I wanted to fill you in on what we are doing. Please call

me when you get a chance.

Hope you are a doing well. Have a great weekend.

Thanks,

Meredith
