Subject: L132/Woodside site visit today

Hi Paul,

Ben Campbell, who is the Director overseeing the 2011 Hydrotesting Program, can meet you at the Woodside hydrotest site this afternoon any time after 2:00. Will that work? Precise locational and logistical information to come in the next hour, including Ben's contact info, but I do want to give you a heads up that there's about 3/4 of a mile of walking involved to the site from the parking area that they have in mind. Let us know when would work. thanks,

Trina
