They were a co-manager, which is a junior role.

There were three leads (each received 26%, or \$568k each) and three co-managers (each received 7.3%, or \$160k each)

Sorry if all these titles are confusing, its just the world we live in :)

Thanks. I got a message from Simon asking about it and I thought things might have changed. I will let the Commissioner know.

Nick - can you tell me what today's offering was ? Did we have a WMDVE lead on it ?
