Re: Revised August 2011 Renewable Portfolio Standard Compliance Submission of Constellation NewEnergy, Inc.

Dear Judges DeAngelis, Simon and Mattson,

Enclosed herewith please find Constellation NewEnergy, Inc.'s ("CNE") *Revised* August 2011 Renewable Portfolio Standard ("RPS") submission. This submission makes non-material changes to CNE's original August 2011 RPS compliance filing made August 1, 2011. These changes have no impact on CNE's compliance with the Commission's RPS requirements.

During the course of reviewing CNE's original August 2011 RPS submission it was discovered that two contract quantities listed in column Z of the Procurement Detail tab reflected actual deliveries received. Decision 07-05-028 requires reporting of contracted-for energy in the report. (See, D.07-05-028 at pp. 8-9.) Accordingly, CNE has revised its August 2011 RPS Report so that contracted-for quantities are reflected in column Z of the Procurement Detail tab. Specifically, highlighted cells Z185 and Z216 on the attached revised report have been revised.

Very truly yours,

Andrew B. Brown
