Hi Chris,

Thanks for the email. Friday would work better for me (anytime). However, I can make Thursday work if Friday does not work for you guys.
Thanks,

Subject: Meeting on PG&E Smart Grid Projects

Lisa-Marie, Karin - following up on our discussion last week, I wanted to check on your availability for a short informal pre-filing briefing on PG&E's Smart Grid projects sometime this Thursday. Kevin Dasso, our lead Smart Grid senior director, would lead the briefing and we could meet you either down here at 77 Beale or up at the CPUC. If Thursday is available, let us know, or if another day is preferable, let us know as well.

Thanks!
