Thx Liza, I'll check with Kevin Dasso and our team and suggest a time that might work for all of us.

Sure thing. I think we also talked about scheduling a meeting week after Thanksgiving to discuss the Smart Grid Pilots application that you guys just filed as well. I'm still happy to walk over to PG&E and catch up with you guys if there is a time that works for you. Let me know what you'd like to do.

Have a great Thanksgiving.

Subject: CPUC Staff Comments on Smart Grid Deployment Plans

Hello,

CPUC Staff has reviewed the Smart Grid Deployment Plans submitted by the three California IOUs and put together a document summarizing the initial comments. Please find attached the **SGDP CPUC Staff Comments** for your review.

This document is informal in nature and should be treated as a starting point for further discussion and evaluation of the Plans. We are not asking parties, including the utilities, to

provide written comments in response to this preliminary review.

We also wish everybody a Happy Thanksgiving!

Kind Regards,

CPUC Staff
