Also, please include John going forward, as I am moving to a new department within PG&E and John will be taking over. Thanks again.

Thanks Gurbux, you too. Once Jack sends us a few time slots for the week after Thanksgiving we will let you know what works best for us. Thanks again, and enjoy your holiday!

David, the week after Thanksgiving would be fine too. I will not be in on Tuesday and Wed. So if it is not next Monday, we will do it in the following week. Have a great Thanksgiving!

Thanks Gurbux. I need to check with our team first to make sure Monday will work -- I have a feeling it is too short of notice, especially with the holiday around the corner. Can Jack please send us a few options for either early next week or right after Thanksgiving?

Thanks,
David
