Subject: RE: I1102016 Legal Division's Motion to Extend Time for Report

Quite frankly, we are disappointed that Mr. Cagen needs more time when we have bent over backwards providing responses that include information on what we did 55 years ago. That said, we agreed to a three week delay because we shortened our own response time to keep things on schedule. There was no need for this motion. It was gratuitous and unnecessary.

Good morning Brian,

Can you let me know PG&E's position on this motion?

Thanks.

Matthew
