I would have flown out with you. I'm at the airport now. Our plane is delayed because of a major blood spill on one of the aisles. Go figure.

No, can't get there for today's conference, due to our CPUC meeting.
But I'm flying to DC tonight, for tomorrow's "Primer" where I'm on a panel with my old buddy Bob Solomon and others. Any chance I'll see you there?

Behave yourself in DC, will ya??!!
