Carol - this is something the three utilities discussed. Yes, we will institute a moratorium over the holidays. I will get you a letter tomorrow.

**Subject:** Disconnections

Hello Mike and Brian: SoCalGas/SDG&E just announced a Customer Disconnection Moratotium from 12/19 - 1/2. President Peevey would love it if your respective utilities could do the same - and announce it this week!  
Thanks a bunch - and let me know if you have any concerns!
