As long as they are responsible for the reporting of gifts, I am fine with us reimbursing  
SCE for some expenses (pro-rata) that do not include public officials.

SCE volunteered, however, they want all other utilities to reimburse them for the dinner. We're currently  
working with our legal department to clear this meeting.

Hey all,

Commissioner Simon I would like to set-up a dinner/meeting with the GCs and hiring managers to discuss legal diversity contracting opportunities. He's interested in talking about

commitments/measurements. He will also announce this item at the en banc. Therefore, after the en banc, I will convene a conference call to flush out the details. I hope to see you at the legal diversity reception on 10/10, and the en banc.

Best regards, Douglas / 415.370.1001
