Subject: FW: Chris Johns interview on KHSL-TV in Chico

Mike,

Fyi; Chris did a nice job addressing smart meter and other issues in this live interview. It runs about three and half minutes.

Tom

All,

FYI. As part of his regular travels to our field location, Chris Johns was interviewed live on the noon news on KHSL-TV in Chico (see link below). I thought you might like to see the coverage. More to come! Roger

Chris Johns on KHSL-TV Chico on Dec. 9, 2011
