Michelle

Apparently this DR was already sent to you, but I wanted to make sure you realized that it was in response to your request to Kevin after our Burlingame meeting. You asked him to write down what he said about PG&E's approach to Aldyl-A.

We are still working on a better Aldyl-A "fact sheet" or some kind of document that outlines the story for PG&E. I hope we can have a document in January.

Feel free to contact either Kevin or me on this.

Thanks

Laura
