Dear Mr. Clanon,

San Diego Gas & Electric Company (SDG&E) respectfully requests an extension of time to comply with the Energy Division's directive to file a Peak Time Rebate (PTR) Study Report no later than December 31, 2011.

On March 25, 2011 SDG&E filed Advice Letter 2238-E – Modifications to Peak Time Rebate Tariff which was approved by letter by the Energy Division on July 21, 2011. SDG&E is requesting an additional 31 days to file the compliance PTR Study report by January 31, 2012 to comply with Advice Letter 2238-E.

We appreciate your consideration of this matter.

Sincerely,

Clay Faber,  
Director – Regulatory Affairs
