Subject: RE: FYI on letter being delivered to CPUC today

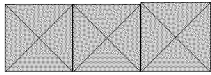

Yes, thanks Dan and PG&E, for the holiday moratorium. Thanks also for passing this along.

All,

Today PG&E is delivering the attached letter voluntarily instituting a moratorium on residential and non-residential service disconnections during the upcoming holiday season consistent with our practice over the last several years. PG&E will not disconnect any customers for non-payment from December 16, 2011 through January 2, 2012. If you have any questions, please feel free to call.
